I am speaking in the heart of My Sanctuary:
"the word that I announce is not for
your condemnation but to restore your
soul and save you;" and you,
daughter whom I have chosen, I will help
you, this is a promise from the Holy One;
I will put with you an angel who, when
you run you will not grow weary, when
you walk never tire, for he will carry
you on his wings, and I, for My part,

followers of the Beast. They took off my

with it and then came back with it. They
gave it back to me. When I took it I knew
that they had profaned it. - Then they
accompanied me to their door to leave, but
as I was passing by in their hall they had
the Emblem of the Beast on their wall,
(just as we have the crucifix). I made a quick
decision; when I saw a sort of sling near-by.
I grabbed it and with all my strength
I hit their Emblem right in the eye (centre)
destroying it and all evil power within it.

Upon taking that decision I knew that that might cost me my life. But I thought it was worth it so long as I would destroy their power too. - As soon as I shattered it those followers of the beast accompanying me to their door were shaken with fright and trembled. And I understood that by destroying their Emblem they too were destroyed and had no power over me.
